

## Knifer Kills Kansas Vet

WASHINGTON (UPI) — A Vietnam veteran from El Dorado, Kan., stationed with the Marine Corps ceremonial unit was stabbed to death in the hallway of his barracks early Thursday, police reported.

Cpl. Christopher S. Brady, 22, was on duty as assistant non-commissioned duty officer in the barracks at the Washington Navy yard when he was killed.

According to police, two other Marines heard scuffling in the hallway and saw a man wearing civilian clothes with an Afro haircut stabbing Brady in the back. The assailant then turned and attempted to knife the other Marines, who fled seeking help.

Brady recently returned from a tour of duty in Vietnam with the 11th Marines.
